

Zulip Login

- Go to the [Webmail](#)
- Log in using your full **e-mail address** and your **current e-mail password** (one time passwords / OTP or "Login as..." feature will not work).
- Click on the **Zulip** tab from the top of the page
- Click on the **Login** button. The first login will set up the necessary account details and it might take a few moments.

If you would like to use the Zulip Desktop app, the URL will be in the following format, where *mydomain--com* would be replaced by your domain name: <https://mydomain--com.ezteams.io> .
